

BROCHURE 2023

Microfinance Technology Summit

Dates: 28th – 29th March 2023

Venue: Kigali Convention Centre

Kigali, Rwanda

www.microfinancetechsummit.com

ABOUT THE EVENT

Shaping the future of microfinance sector by facilitating technology, innovation, financial inclusion and microfinance collaborations.

Africa is promising on digital adoption and the microfinance sector. Now as technology disrupts all industries in Africa, Microfinance shouldn't stay behind.

A digital approach will serve to reduce cost and will provide an effective and efficient serve to clients for the microfinance institution.

SNG Events in partnership with the Associations of Microfinance Institutions in Rwanda (AMIR) Announce the inaugural Microfinance Technology Summit on 28th – 29th March 2023 in Kigali, Rwanda.

The event aims to create and strengthen bond between Microfinance institutions and technology companies who own great tech solutions to enhance customer experience.

Microfinance Institutions, Technology providers and regulators need to reevaluate the mode of collaborations in a great and safe digitized way. The Microfinance Technology Summit will provide the opportunity for all parties to meet in person in Kigali where challenges will be addressed and convert talks into tangible actions.

Rwanda is a home of big world events; it has also an attracted hub for Microfinance isector. International experts will travel to Kigali for deep discussions on Digital transformation of Microfinance sector.

Rwanda only counts 458 Microfinance Institutions licensed by central bank.

The Microfinance Technology Summit 2023 will gather the world leading microfinance professionals all of whom are committed to drive the sector transformation.
